

**DIVINE MERCY
UNIVERSITY**

Dear Friend,

Greetings in Christ! I am writing to inform you about an exciting new partnership which might be of great interest to you —it is certainly of great importance to CCMA and the world!

An accredited graduate school of counseling and psychology operating out of Sterling, Virginia is offering a unique curriculum that integrates a rigorous psychological education and training with authentic Catholic teaching on the nature of the human person.

More students than ever are struggling with issues of mental health and the very core of their identity as children of God. As you know, we have always prided ourselves on sharing the best resources available to its members and the programs offered by DMU only expand that offering. This partnership will buck the trend of students leaving the Church during their college years and bring hope to those on the frontlines of ministry- Catholic campus ministers.

Through this partnership, members of CCMA are eligible to receive the following tuition reductions:

- Priests, Deacons, and Religious including Consecrated will receive a 25% tuition reduction
- Full-time employees of Catholic Campus Ministry Association, and members of their immediate families, will receive a tuition reduction of 20% for any of the DMU degree programs
- Catholic Campus Ministry Association members, in good standing, will receive a 20% tuition reduction for any of the DMU degree programs
- All of the above can receive a 10% reduction for the Spiritual Direction Certificate program

DMU offers unprecedented online Master and campus based Doctoral programs in counseling and psychology including courses in philosophy and theology as well as offering its students numerous opportunities for personal spiritual growth as an integral part of the process of their formation as therapists, spiritual directors and professionals.

If you know of anyone who is considering a future in healing their communicaties, please share with them this information about Divine Mercy University. You can also invite them to visit the DMU website www.divinemercury.edu or contact the Enrollment Services Office at admissions@divinemercury.edu.
